

FOR YOUR INFORMATION
by Mayor Julia Mosley

*Call 301-773-7891 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.*

JULY 4TH HOMICIDE

As many Cheverly residents already know, there was a tragic shooting in Town on Saturday, July 4th, when a young man was shot in front of his house in the 3300 block of Cheverly Avenue. The young man and his family are long-time and much beloved residents of Cheverly and our thoughts and prayers are with them in this truly horrible time.

Because violence such as this is so rare in Cheverly, I know that people in Town are shaken by this event. Cheverly is a safe town with a low crime rate. There have been rumors that this was a drive by shooting---totally random and people in Town are not safe. I want to assure residents that the investigation clearly shows that this was not an act of random violence and, to quote Chief Buddy Robshaw, "that people in Town are as safe now as they were before this senseless act occurred". Crime has been declining for several years and Chief reported at the June Town meeting that crime was down to its lowest point in more than 10 years. However any crime, especially one as devastating as this one is always upsetting and cause for concern.

The County and Cheverly Police are working around the clock to identify and arrest the suspect. The County is handling the investigation and Cheverly Police are also working the case. On July 4th, the Cheverly force was conducting an "all hands on deck" task force and four of our officers were the first to respond to the shooting. Chief Robshaw and the entire force have taken this tragedy personally, are committed to keeping the Town safe and the Council and I have total confidence in them.

LABOR DAY HOLIDAY

Monday, Sept. 7, 2009

**Offices Closed —
No Trash Pickup**

Again, this was not a random crime. Parents in Town need to talk to their teenagers and young adults and ask if they know anything about this tragedy. If anyone in Town has any information they should call the Police or email Chief Robshaw. Crime Solvers is offering a \$25,000 reward for any information and the Town is also offering a reward. All information is confidential.

Again, our thoughts and prayers are with the Morris family. I know that many of their neighbors and friends have already reached out to them during this terrible time. I ask that you continue to do so.

The Chief held a very informative and reassuring CPACT meeting in the days immediately following this tragedy. He fielded all questions and gave as much information as he could without compromising the investigation. He also introduced the County's Police investigators who are handling the case and asked for help with information from the community---information they are certain is out there and will help break this case. Please read the Chief's monthly report elsewhere in this newsletter for more information.

SPEED CAMERAS IN CHEVERLY - Near the end of the most recent session, the Maryland Legislature passed speed camera legislation allowing municipalities to use speed cameras in their jurisdictions. The Cheverly Council has discussed the use of speed cameras in Cheverly at several recent Town Meetings and it was decided that indeed, we did want speed cameras in Town. At the May Town meeting, the Council authorized the Town Administrator, Police Chief and Town Attorney to interview and evaluate contractors and enter into a contract for three (3) mobile units to monitor speeding in Town. Council also directed Mr. Warrington, Mr. Colaresi and Chief Robshaw to develop and then present Council with a draft of the Town's policies for these cameras for Council's review and approval prior to implementation. The legislation allows municipalities to start using cameras on October 1, 2009 and we fully expect to be ready by then. There will be a 30 day grace period once we start the program where warnings will be issued to violators rather than tickets and signs notifying motorists that the Town uses speed cameras will be posted where appropriate. The Town Administrator delayed the hiring of a contractor when it became apparent that there were several seminars relating to the new law at the June MML (Maryland Municipal League) Convention attended by staff, Mayor and a number of Councilmembers. In addition to the informative sessions, virtually every speed camera contractor the Town would consider using were also in attendance, giving staff the opportunity to talk to all of them. As a result of information given at these seminars, it has been decided that Council should pass a formal resolution authorizing speed cameras in Town and this will be done at the August Town meeting. As noted at the July Town meeting, our primary, in fact our only motivation is improving pedestrian and motorist safety and tackling perhaps the most frequent complaint we hear from residents---speeding. In fact the new law has considerable restrictions on the amount of revenue a municipality can keep from the fines motorists pay and there is no guarantee the Town will make money or even break even on the program. Unlike the revenue generated by speeding tickets written by our officers which goes entirely to the State, we do keep some of the revenue from these tickets. Unfortunately, the cameras can only be used between 6AM and 8PM (or in construction zones) and violators must be going 12 miles per hour over the speed limit to get a ticket—not true of tickets written by our police officers. Unlike tickets written by our officers, speeders caught by these mobile cameras will not accrue points on their license. Again, this program is intended to assist our police in controlling speeding not replace their efforts. The good news is that because of the number of schools in or near town, virtually the entire town, including the part of Ward 4 south of Route 50 will be covered. I will post one last fact sheet in the September newsletter and it will be posted on the Town's web site so that residents are fully aware of this new program.

SPECIAL EXCEPTION 4618 KENILWORTH SALVAGE YARD - The Town was successful in our efforts to get the MNCPP-C Planning Commission to recommend denial of Kenilworth Salvage Yard's application for a special exception. This was the second hearing relating to this application and the third will be on July 29th when the County's Zoning Hearing Examiner (ZHE) continues a hearing suspended 2 months ago. While we are encouraged with our "win" before the Planning Board, the ZHE hearing will be an uphill battle. The Town has hired a consultant who specializes in zoning matters such as these and this has been a tremendous help. Thanks to Lelia Price from the Ward 4 Citizens Association who has represented the Ward at many planning meetings here in Town and attended both MNCPP-C hearings along with CM Mike Callahan and myself. The Town has been working with community leaders from neighboring towns so it has really been a joint effort. Hopefully we will be successful on the 29th.

WORLD RECYCLING UPDATE - Residents of Ward 4 have complained about the appearance of World Recyclers, a recycling facility near the entrance to the Cheverly Metro Station most visible when one is traveling on the 64th Avenue Bridge. As everyone who goes to Metro or drives on Columbia Park Road knows, this has never been an attractive property, but in recent years has become more of an eyesore. We have been working with the appropriate County agencies on this problem for many months and at the request of the Ward 4 Civic Association and Ward 4 CM Schachter, Council invited representatives from World to our last worksession. They did promise to improve the appearance of their facility and recently started repairs and painting of the fence and generally cleaning up the yard. They plan to plant a green screen of Leland Cypress along the fence line in the fall when it is cooler. Council's request to have them use a gate to block the view into their yard is not possible given how their operation is run, but they did agree to consider a barrier that might help mitigate the problem as well as look at some lighting issues raised at the Worksession.

ANOTHER GREAT CHEVERLY DAY!

On June 6th folks in Town celebrated another great Cheverly Day. There were events and attractions entertaining residents of all ages from morning till night culminating with terrific fireworks at the end of the evening. As always, there are lots of people to thank starting with Cheverly Day organizer Nick D'Angelo and his wife Kristy. For Nick and Kristy, Cheverly Day is a year-round endeavor and planning for next year that starts the day after Cheverly Day. There just would not be Cheverly Day as we know and enjoy it with out Nick and Kristy.

Special thanks also go to long time Cheverly Day Committee Member and Vice-Mayor Micah Watson. Also Pat Nelson, who organizes, sets up and takes down all the events of the Midway located on the tennis courts. She was helped with deconstruction of the Midway on Sunday by Dave and Candy Kneipp. Pat has been doing this for many years and as long as she has been involved, it has not rained on Cheverly Day—so we can't ever let her retire! David Thorpe was again the first to arrive as he arranged and handled all the bands that performed during the day. The bands were terrific with Cheverly's own Soul Revolver, Tuxedo Road, Hot Noodles and D.C's. JohnStone Reggae Band.

Long time resident Bruce Mitchell commuted in from his new home in Eastern Maryland and volunteered to handle all the sound for the entire day-- and it was great to see him again. Thanks also to new volunteers Sally Otis and Miki Kim. A new feature this year was the Cheverly History Club headed up by Dave Kneipp and CM Mike Callahan featuring a Cheverly time line displayed in the Community Center, a Cheverly History tour and oral history recordings taken with some of our long time well known residents.

The Cheverly Day Prom Committee headed up by Joe and Susan Pruden sponsored a "Cheverly Day Prom" the previous week and it was a success, even managing to make sizeable donations to the Cheverly Community Gardens and the Cheverly Boys and Girls Club.

There was another very successful all-day Basketball Tournament held in the gym (which was great because this allowed the younger kids to play ball all day on the courts outside). The tournament would not have happened but for two residents who had to step in at the last minute when a call went out for help. Will and Monique Mangrum were relaxing at home the morning of Cheverly Day when they received a call that there was no one to run the event. They, along with Guy Miller, Annette King and another volunteer whose name I do not know, arrived on the scene and saved the event. Thanks to Shelly Woods, President of the Boys and Girls Club for organizing it. I *know* I have inadvertently left out a number of names but thanks to all the volunteers for their hard work.

Thanks to the Town staff who also prepare all year most notably Director of Public Works Juan Torres and his entire Public Works staff, Trudy Stanek PW Administrative Assistant and Editor of the Newsletter and the Jack Wheat Award winner this year, Chief Robshaw and the entire Cheverly Police Department and the Town Office staff of Town Administrator David Warrington and Town Clerk Barbara Bannister. Thank you everyone.

THE MAYOR'S AWARD

Long time residents Matt and Shelia Salo received the 2009 Mayor's Award at Cheverly Day and there has rarely been residents more deserving of the award. Both Matt and Shelia have been ardent and passionate advocates for the environment and for Cheverly for many years. Shelia is a member of many groups in Town including Friends of Lower Beaver Dam Creek, Progressive Cheverly, the Green Infrastructure Steering Committee and most recently the Cheverly History Club. She is a researcher extraordinaire for all these groups and many others as well. It is incredible the amount and breadth of information Shelia manages to research and summarize into an easily usable format for virtually every group in Town including the Mayor and Council. She and Matt act as watchdogs for the environment as she did recently when she noticed a troubling discharge seemingly coming off the hospital property. She immediately contacted the Town which set off a chain of investigations. (Public Works Director, WSSC and hospital management discovered that there was a misdirected kitchen drain at the hospital and while not toxic hospital waste, was clearly polluting and immediately corrected). Matt has worked tirelessly to protect the environment and also educate residents in Town on steps that we need to take to save our natural areas in Cheverly. He has done an incredible amount of clearing of invasive species that threaten the areas around Euclid Park and the Nature Park in Wards 1 and 2 as well as the trails behind the Community Center. He has been documenting virtually all the flora and fauna in Cheverly and this will be tremendous help both now and in the future. He is an invaluable member of the Green Infrastructure Steering Committee and other groups as well. I know that all the members of volunteer groups in Town who rely on these two individuals join the Council and I and all residents in Town in congratulating and thanking both Shelia and Matt for their work.

CHEVERLY POLICE OFFICER OF THE YEAR OFFICER FRANCIS WEBB

Chief Robshaw presented Cheverly Police Officer Francis Webb with the 2009 Cheverly Police Officer of the Year Award at the June Town meeting in recognition of his exemplarity performance and terrific work ethic. I was especially pleased to see him receive this award as Officer Webb was one of the first officers who arrived at our house after a recent disturbance and he was, as he always is, professional, helpful and reassuring. The Cheverly Police force often has a number of younger officers on the force including recent graduates of the Academy. These officers bring enthusiasm and dedication to their work but it is especially helpful to have officers like Officer Webb who bring years of experience to the department. I know he commutes a great distance to work here in Cheverly and the Town is very lucky to have him on the Force. Congratulations and thank you Officer Webb.

THE JACK L.WHEAT AWARD

Public Works Administrative Assistant Trudy Stanek was awarded the Jack L. Wheat Award at Cheverly Day. This award is given annually to a Town staff member or volunteer whose work and efforts have been “above and beyond” the call of duty and contributed greatly to the quality of life here in Town. As part of the Public Works Department which received the award several years ago, Trudy has received this award as part of a great team but we thought that she deserved the award all on her own this year.

As Juan Torres said on Cheverly Day, the Public Works Department could not function without her and she keeps them up and running. As he says, they say, “yes Trudy” all the time in Public Works. She gives a huge assist to the staff and volunteers for Cheverly Day and she is the kind and pleasant voice answering the phone when residents call with questions and problems. Council and I receive so many positive comments about her terrific customer service. Many people in Town don’t realize that a number of years ago, Trudy took over the editing and production of the Cheverly Newsletter, a time consuming and often frustrating task which she performs in addition to her work for Juan and the Public Works Department. She does this with patience and professionalism, a fact I am reminded and appreciative of as she patiently waits for this Mayor’s FYI article. Thank you and congratulations Trudy.

YARD WASTE VS. SPECIAL TRASH

Once again, there seems to be a misunderstanding when it comes to special trash versus yard waste collection.

Yard Waste is anything that GROWS in your yard. This would include, **grass, leaves, tree limbs, sticks, branches, etc.** These items are picked up **ONLY** on Monday.

Special trash is furniture, rugs, lamps, etc. These items are picked up on Thursday and Friday **ONLY**. 3-4 items are collected per special trash day. **Empty Latex Paint Cans** are acceptable, **Oil based Paint cans** are **NOT ACCEPTABLE**.

The Public Works Department is on a schedule during the week; trash collection, recycling and yard waste. When residents do not adhere to these collection days, the town’s appearance suffers. If you have questions about what is collected on which side or what day, please call the Public Words Department at 301-773-2666. We are here to serve you.

CHEVERLY RECREATION COUNCIL

This year, the Cheverly Recreation Council is proud to announce we have three winners for the John “Dent” Wilson Scholarship. They are - Caitlin Virta, Jacob Williams and Patrick DeLeonibus. We wish them all the best as they leave for college.

Message from the Chief

Buddy Robshaw (policechief@cheverly-md.gov)

UNSOLVED HOMICIDE – On 07-04-09, at approximately 5:15 PM, Spencer Morris III was shot and killed in front of his residence in the 3300 block of Cheverly Avenue. The Cheverly Police Department extends its condolences to the Morris family. The unknown assailant in this case is described as a black male, 6-0 in height, thin build, light complexion, and armed with a handgun. This was not a random act of violence and it is believed that Mr. Morris may have known his assailant. Just prior to this incident, Mr. Morris was playing basketball at the **Town Hall basketball courts located at 6401 Forest Road**. If anyone has any information in reference to this case, please contact the Prince George's County Police, Homicide Unit, at (301) 772-4925 or the Cheverly Police Department at (301) 341-1055. CrimeSolvers is offering a \$25,000 reward for information that leads to an arrest in this case.

CRIME IS DOWN STILL - Crime in the Town of Cheverly continues to stay down, with year-to-date criminal incident totals, 116 for 2009, way below 2008's total of 172. As I have indicated previously, resident calls to their police complaining about suspicious persons, solicitors, abandoned vehicles, and other such circumstances have played a significant role in this reduction and I urge every resident to continue to be watchful. In addition, I am always looking for residents to join Cheverly Watch (resident radio users), participate in C-PACT, and/or ride along with Cheverly police officers.

TASK FORCE OPERATIONS – The Task Force has been in operation since April 15, 2009 and has made 40 adult arrests, 9 juvenile arrests, 5 arrests for DUI, cited over 600 traffic violations, and written 78 Field Observation Reports. If you have any specific complaints about suspicious persons or vehicles, constant noise or code enforcement violations, or other neighborhood issues that we can help with, do not hesitate to call or Email.

PARKING ENFORCEMENT ON CHEVERLY AVE.

The Department will soon begin an aggressive parking enforcement campaign for vehicles in restricted parking zones on Cheverly Avenue and nearby streets that are parked beyond the three-hour visitor time limit. Additionally, we will be looking at violators who inappropriately use resident visitor passes to utilize these restricted parking areas.

CHEVERLY WATCH – I have recently been able to purchase a number of additional radios for the resident police radio program. Anyone who has any interest in joining this important effort, please contact me at (301) 341-1055. Remember, the police are most effective when they partner with local residents to reduce crime.

WE NEED YOUR VEHICLE DONATIONS – I want to thank all of you who responded to my recent requests for vehicles. As always, all donated cars and trucks are towed for free and those that are not in good condition are scrapped and the scrap money added to the Department's equipment account. The Department is still looking to convert some of our donated vehicles to surveillance uses. Please keep us in mind if you want to donate a used vehicle or if you just wanted to get rid of a vehicle that is passed its prime.

Crime Report for June 2009 (All Addresses Are in Hundred Blocks) Total Arrests for the Month: 44 Total Traffic for the Month: 429 Total Crime (Difference, YTD 2007-2008): -34%

TRAFFIC COMPLAINTS – Residents who Email their traffic complaints, i.e., speeding, stop sign violations, parking complaints, etc., get put onto a list right away and service is usually directed toward these problems within a week. My Email address is policechief@cheverly-md.gov. This same address can be used to notify me about issues in your neighborhood that need police attention. In lieu of an email, please feel free to contact me at (301) 341-1055.

SOLICITORS – In light of a number of recent incidents of soliciting without a permit, all residents are encouraged to call the police whenever a solicitor confronts them. Solicitors in Cheverly are required to display a permit issued by the Town (that must be displayed upon request of any Town resident) and they are required to leave private property immediately when told to do so by a homeowner or face trespassing charges. Please do not hesitate to call the CPD if a solicitor knocks on your door.

C-PACT WEBSITE: I encourage every reader to visit the C-PACT website located at <http://cpact.squarespace.com>. Police Department personnel visit this site everyday and the latest information is always available.

ACTIONS TAKEN

Votes were unanimous unless otherwise noted.

Town Meeting - July 9, 2009

- CM Tevault moved to excuse CM Eldridge. Seconded by CM Watson. Approved 4-0. Mayor cast fourth affirmative vote. CM Schachter & CM Johnson absent.

Worksession - July 23, 2009

- Motion CM Eldridge to close meeting to discuss potential land acquisition. Seconded CM Watson. Approved 5-0. CM Johnson absent.
- Motion CM Watson to open meeting. Seconded CM Eldridge. Approved 5-0. CM Johnson absent.

TENTATIVE AGENDAS

Town Meeting - August 13, 2009

- Award of Bid—64th Ave. Bridge Repair
- Award of Bid—64th Ave. Road Repair
- Award of Bid—Community Center Siding & Gutter Repair
- Award of Bid—Demolition of 5811 Landover Road
- Introduction Ordinance O-3-09 Speed Cameras
- Introduction Ordinance O-4-09 Amending Chapter 5 Rental License Penalty

Worksession - August 27, 2009

Meeting Agendas are updated on website: www.cheverly-md.gov and on Cheverly cable channel 71.

**Town Meeting broadcast LIVE on Cable 71.
Re-broadcast everyday
at Noon, 6:00PM and 10:00 PM.**

Need help with YARD WORK? To assist our elderly, and other residents who need help with yard work, Cheverly maintains this list of teenagers who are interested in being hired for mowing lawns, raking leaves, shoveling snow, etc.

240-478-4622	Xavier Pinkney
301-322-1075	Dorian Dixon
301-386-0049	Andrew Teel
301-772-6028	Andrew Priest
301-772-6028	Ashley Priest
301-322-4952	Max Allegro
301-322-4952	Jake Allegro
301-341-2471	James Porcari
301-583-1028	Xavier Milam
301-773-6863	Emmanuel Mitchell
301-537-6819	John Pooley
301-772-6596	Ben Hartmann
240-770-8166	Byron Bamigbade
301-864-0735	Malik McAdoo
301-864-0735	Tyreq McAdoo
301-772-6553	James Kernan
301-341-5284	Ian Sullivan
301-772-0110	Jack Alkire

Cheverly teenagers can call the town office at 301-773-8360 if they wish to add their names to this list.

FALL FLEA MARKET

The Recreation Council's Flea Market will be Saturday, October 3rd. Reservations start Monday September 1st. Tables are \$15. Call Barbara 301-773-5883. Remember tables go fast.

MAYOR AND COUNCIL BOOTH AT COMMUNITY MARKET:

In response to resident interest in having more opportunities to speak to the Mayor and Council informally about Town issues, the Mayor and Council are planning to staff a booth at the September 26, 2009 Community Market. While not offering fine cheeses, vegetables, meats, seafood or baked goods, the Mayor and Council hope to have a chance to hear directly from residents (and vice versa) about what's going on in Town. Look for the Mayor and Council at the 9/26/09 Community Market but of course plan to support every one of this year's fantastic Markets!

Community Bulletin Board

Stay connected with the **Cheverly Exchange!**
by Micah Watson - On the Cheverly Exchange, you can keep connected with your neighbors and find out about important town happenings. Everyday your neighbors are using the Exchange to post about lost or found pets, yard sales, or simply using it to borrow a garden tool. It's Cheverly's fastest growing online community group and it's free. Join today at www.cheverlyexchange.com and see what everyone is talking about.

Planning Board - 5811 Landover Road (vacant yellow) house update: The Town of Cheverly has issued an RFP for the house's salvage and demolition. Proposals will be opened Aug. 5th. MNCPPC is providing design concepts for what the lot will comprise after the house is removed. This design will be developed with Town and Town Resident involvement. More information will follow via the newsletter and other town communications. Cheverly has received a grant from the Metropolitan Washington Council of Governments (MWCOC) to develop a town bicycling and walking plan. This project will look at slowing down traffic to make the town more walkable for our families. It will also focus on improving the pedestrian crossing at the intersection of Landover Road (202) and Kilmer Street, and advancing the Cheverly - to - Anacostia River Trail bicycle connection project. Finally, a Green Note: The 2009 Environmental Legislative Roundup is available online at...
<http://www.environmentmaryland.org/issues/at-the-capitol/legislative-roundups> This site categorizes recent state legislation impacting the effort to improve our environment.

Cheverly Advocates for Public Schools

(CAPS) Matthew Bernstein joined us at our June meeting to brief CAPS members about the new public charter school he and others are working to open in Prince George's County. If approved, Stewart Academy will be the first public charter school in Prince George's County to serve middle and high school students. The model is based on the "Harkness Method" used by elite New England boarding schools, with small, discussion-based classes. Learn more at www.stewartacademy.com. CAPS will not meet in August, but please plan to join us at our September meeting on Wednesday, September 23.

The Cheverly History Club will not hold a scheduled meeting for the month of August. Instead, we will have a field trip to a local historical property, tentatively scheduled for Tuesday, August 4th. For more details, email cheverlyhistoryclub@verizon.net.

Cheverly United Methodist Church will hold a Hymn Sing & Dessert Social on Aug 19, 7 to 9 p.m. Please come and enjoy singing traditional and contemporary favorite hymns followed by yummy desserts. To request your favorite hymns leave a voice message at 301-773-1314.

Progressive Cheverly - All Welcome - Thursday, Sept. 3rd, 7:00pm: **Forum: Health care reform.** Will it happen? What will it look like? Can the competing political positions and stakeholder differences produce a good health care system? If you have good health insurance, why should you care about the outcome? We will have a special speaker who works on Capitol Hill to provide an insider's view. Join us as we kick off the fall season. Judith Hoyer Early Childhood Center, 2300 Belview Ave. progressivecheverly.org

Cheverly Green Infrastructure Plan

August Meeting - Monday, August 4, 7:30 – 9:00 p.m. at the Cheverly Community Center, to review progress, provide input to green plan design, and develop recommendations. Meetings are typically the first Monday of each month. All are welcome. Information at <http://cheverlygreenplan.googlepages.com/home>.

Cheverly Community Market -

Are we your favorite farmer's market? Visit www.cheverlycommunitymarket.com and vote for us. You can sign up to be on our mailing list to get the latest news. Summer is in full swing & the abundant rains of May/June are paying off with a big fruit & vegetable harvest. Our vendors are bringing the best of mid-summer county directly to your doorstep on Sat. August 8 & 22 at the Community Center from 8-12 noon. Some of them include Schlagel Farms, with an amazing selection of vegetables & summer fruits from their farm in Charles County (see website for a complete list). Also coming are the Reberts family from Gettysburg with their abundant crop of stone fruits—nectarines, plums, cherries and peaches. And Swann Farms from No. Calvert Cnty with their watermelons, peaches corn and tomatoes. All of these products are in addition to our normal array of cheeses eggs, homemade ice cream, jams, jellies, honey, organic meats, artisan breads & breakfast treats, fair-trade coffees and teas, with Maryland seafood & wine thrown in for good measure. If interested in hosting a front-yard sign announcing the market, please contact Crystal Lal: crystal.lal@verizon.net (301-773-0635). Come, bring a friend, have breakfast with our house bad The Hot Noodles, spend Sat. morning shopping with your neighbors. PLEASE LEAVE PETS AT HOME per Maryland Health Department.
